K. C h a n d y, Esq., B.A.,

Revenue Commissioner in Mysore,

Bangalore.

SIR,

I have the honor to enclose herewith a copy of report No:168/23-24 dated the 16th instant, received from the Amildar-President, Srinivaspur Municipality, regarding the shortage of water supply in the wells in Srinivaspur Town and the consequent difficulty experienced by the townspeople and to state that the Municipality have already given, out of their slender resources, 3 new wells besides deepening an old well and under-taking two new wells at a considerable cost. I have personally satisfied myself of the need of this town especially at this season and some help to these helpless Municipalities is very necessary and I therefore request that sanction of Government may kindly be obtained for granting to the Municipality a sum of Rs.200 out of the grant placed at my disposal for temporary wells.

I have the honor to be,
S i r,
Your most obedient servant,

For Deputy Commissioner,
Kolar District.

K. Chandy
4/2/24 Rev Comm

Report No:168/23-24 dated 16-1-24 from the Amildar-President of the Srinivaspur Municipality, to the Deputy Commissioner, Kolar.

I beg to bring to your notice that on account of the present unfavourable seasonal conditions, most of the wells in this town have dried up and the supply in the remaining wells is running short. The Municipal Council have given three new wells and have deepened one old well already at a cost of Rs.164 in all, and have undertaken two more wells at a cost of Rs.60.

2.As the allotment made for public works in the current year's Municipal Budget has been exhausted, the funds for the above wells had to be reappropriated from the provision made for plague and cholera charges. As even this item has now been exhausted and as there is no other item in the budget from which any more funds could be reappropriated, I beg that a sum of Rs.200 may kindly be granted to this Municipality for giving wells to the townspeople from out of the funds placed at the disposal of the Deputy Commissioner by the Government recently for giving temporary wells. This will be utilised for providing temporary wells to the people during this season of distress.
